Letter from our JROTC BN XO: Cdt/CPT Adja Dieye

I can't explain how proud I am of MAJ Ibanez being our battalion commander for the school years of 2012-2013, CSM Feezor being the command sergeant major, and how proud I am of the 15th army jrotc battalion and their accomplishments. There were indeed times when this battalion made me happy. JROTC changed my life for the better, and for that I am thankful. I have made so many friends, and done things in my life that would never get a chance to do again. As your battalion executive officer, I have a few words to say. Keep this battalion strong, do the best you can do, and try not to make 1SG and the MAJ angry, but encourage them as a friend.

Sincerely,
You're BN XO Adja Dieye.

Letter from our JROTC BN Commander: Cadet/MAJ Cristine Ibanez

As a new commander of the 15th Army JROTC Battalion I would like to thank the people who believed in my ability. This would be one of the biggest responsibilities I will do in ROTC. I started as a cadet, getting promoted and becoming as one of the staff members. It was actually pretty hard to hold a position, with more responsibilities but it was more exciting. This year, I can see that the battalion will do ever better than the past few years, it is not because I am the new commander but its because of the new cadets, our LET 1's and LET 2's, together we will all work as a team which is the key to succeed in this program. I am hoping to see a lot more changes, challenges, dedication, motivation, and a lot of fun in this program. Let's all work together as a team and motivate more young people to become a better citizen.

SAI Remarks

Cadets, you are off to a great start this year. I am proud of you all. You are representing the battalion well throughout the school and community. In order to maintain your "Honor Unit with Distinction," you must earn 96% on your unit report and 96% on your Formal Inspection in March. You are well on your way to keeping the "Gold Star" having earned 160 points out of 400 points on your unit report. Keep up the good work.

CADETS ON TASK!!

In our Battalion we love to keep our cadets on task and motivated at all times!

Why Two Cadets Joined JROTC!

CDT Sabrina Caylor

I joined JROTC because I wanted to try something new. My parents supported my choice so I had it put on my schedule. The class is better than I thought it to be, just much smaller.

CDT Dylan Dury

I joined JROTC to see if following my dad's footsteps of joining the military is what I want, to give me a small taste of what it's like. I also wanted to become a better leader by

joining the program and get me more physically fit. So far I have not gotten passed all of the early year training, but I imagine it will suit me.

9-11 Ceremony.

For the 9-11 ceremony we remembered all the lost service members and civilians who died on September 11th, 2001. Our battalion presented the Colors for this ceremony and our AI, MSG (Ret) Loken made remarks.
